

# Roma *Classic*

## Ultimate Style - Maximum Efficiency

The **Roma *Classic*** combines the stylish lines of Italian elegance with the latest technology to produce a comfortable mix of radiant and naturally emitted heating with a uniform surface temperature. The superior quality slim-line aluminium body and Thermodynamic fluid filling are designed to ensure maximum energy efficiency, a precise intelligent thermostat automatically regulates your heating requirements and the sleek integral user-friendly LCD programmer enables multiple programming options including nine pre-set programmes, all in addition to the standard frost protection, background and comfort settings. Fully compatible with our ZoneRay central programming and control system.

Power output	Height	Width	Depth	Price
900w	590	570	80	£290
1200w	590	730	80	£340
1500w	590	890	80	£390
1800w	590	1050	80	£430
