SOPHIA

Thermodynamic Fluid filled

Aluminium

Sleek & minimalist, quality components, advanced technology, it's exceptional value for money! Natural warmth is rapidly distributed, regulated by a precise thermostat that ensures optimum energy efficiency. Analogue, or optional low-cost kits available enabling wireless, 7-day central programming for each radiator.

Watts	Height	Width	Depth	Minimum order: 12 Radiators	
500	415	462	86	ST 0500	£190
1000	415	700	86	ST 1000	£215
1500	415	950	86	ST 1500	£250
2000	415	1150	86	ST 2000	£290

Manufactured to ensure superb quality and durability. This slim, highly energy efficient, classically elegant and effective radiator will compliment any interior. Complete with an intelligent thermostat controlled by an integral user-friendly LCD 7-day programmer, the CALI Avanti comfortably satisfies almost all needs.

Watts	Height	Width	Depth	CALI Avanti	Price
950	580	610	90	CAV 0950	£325
1200	580	770	90	CAV 1200	£350
1500	580	930	90	CAV 1500	£395
1800	580	1090	90	CAV 1800	£425

Far more than being slim and stylish, with OptiPower technology and a new advanced thermostat, these radiators provide highly effective low cost heating.

Watts	Height	Width	Depth	PLANO	Price
500	600	450	50	PL 0500	£285
800	600	650	50	PL 0800	£335
1300	600	950	50	PL 1300	£395
Watts	Height	Width	Depth	DEKO	Price
1000	1200	430	60	DK 1000	£445

PLANO: Horizontal - DEKO: Vertical

The Sophia, although designed for towel warming, is mainly a highly effective, energy efficient bathroom heater. The stylish thermo-efficient aluminium body and intelligent thermostat ensures minimal energy consumption, and with the benefit of an integral user friendly 7-Day LCD programmer, comfortable, low cost bathroom warmth can be pre-set as required.

Watts	Height	Width	Depth	SOPHIA	Price
500	980	500	45	SOP 500	£360
750	1430	500	45	SOP 750	£386

All prices exclude VAT and delivery: UK delivery £80 per pallet up to 9 radiators, delivery charge for 1 to 4 radiators: £30 to £45. Delivery to some areas may cost more. All dimensions in millimetres.

TOTAL CONTROL

at your fingertips...

ZoneRay

Wireless 7-Day central programming system
 Enables the individual management of up to 6 zones.

Central Programmer	£125.00
Receiver (Per Radiator)	£33.00

CALI Avanti

7-Day programmable intelligent thermostat.

Draws minimal energy to to maintain even ambient warmth thanks to a precise microprocessor. Programming is simple and the stylish sloping LCD display panel allows clear viewing of all settings.

New DEKO

Super Slim, only 6 cm!

A striking slim vertical radiator to compliment a PLANO system

DEKO

Slimline PLANO & DEKO

Natural ambient warmth regulated by a precise intelligent thermostat which minimizes energy usage by only drawing minimal, periodic amounts of energy. **And more...**

ONLY

£75!

ZoneMate

Full PLANO & DEKO 7-Day PROGRAMMING

A user-friendly programming unit to individually set the timings and temperatures for each/all radiators.

iGreen
Total energy control

The ultimate system for complete wireless control and energy management. Full details @ www.i-green.co.uk
