## Modern Slavery Act 2015

In March 2015 the UK Government passed the Modern Slavery Act 2015. Section 54 of the Modern Slavery Act places a responsibility on organisations that fall within certain criterion to publish an annual Slavery and Human Trafficking Statement.

The Modern Slavery Act 2015 is an Act of the Parliament of the United Kingdom. It is designed to tackle slavery in the UK and consolidates previous offences relating to trafficking and slavery. The act extends to England and Wales. The bill was introduced to the House of Commons in draft form in October 2013. It received Royal Assent and became law on 26 March 2015.

INTELLI HEAT Ltd 's commitment to respect in the workplace includes our full support for international efforts to promote ethical principles and practices related to the prevention of exploitation and abuse associated with modern slavery and human trafficking.

We also expect commitment to these principles from all organisations with which we do business with, regardless of any legal requirement to comply or not, and will not support or do business with others knowingly involved in slavery or human trafficking.

Under section 54 of the Modern Slavery Act, all commercial organisations with a UK presence and a global turnover of £36 million or above are required to publish an annual statement of the steps it has taken to ensure that slavery and human trafficking is not taking place in any of its supply chains or in any part of its business. The definition of slavery in the Act makes it clear that it extends, among other things, to forced or compulsory labour.

In order to comply with this legislation, INTELLI HEAT Ltd require all potential suppliers/contractors to declare to commit to complying with the requirements of Section 54 of the Modern Slavery Act.

In addition it will be a condition of all purchase orders and works orders to INTELLI HEAT Ltd 's suppliers and contractors that they comply with Anti-Slavery Legislation, specifically section 54 of the Modern Slavery Act.

**I/We commit to complying with the requirements or the spirit of the requirements set out within Section 54 of the Modern Slavery Act 2015**
