

Have you met **WHAPP** yet?

WHAPP

Connecting people to their lifestyle...

WHAPP Home Automation...
Making your life easier

It's a way of Life...

WHAPP...

And my connected home

WHAPP is a new generation of Home Automation solutions. It enables you to control your house, your second home or your office, locally or remotely, from your Smart phone or tablet.

Smart way, Smart life...

Choose the **WHAPP** that meets your needs. Without subscription, each **WHAPP** solution includes a gateway and an application to control your connected devices wherever you are.

Control your home
locally or remotely

Protect your family
and your personal
belongings

Master and
keep a close eye
on your energy
consumption

Make your home
more comfortable by
programming your heating system

Automate the
control of your
roller shutters

Create your
own lighting
scenarios

INSTALL HOME AUTOMATION AT YOUR OWN PACE

All your equipment, existing or future, can be connected to **WHAPP** without neither demolition nor redecoration ! Simply add new Home Automation functions whenever you want: Upgrade your Home Automation, according to your budget, in a way that's quick, simple and easy.
